

Electrical Maintenance Technician (Full Time Role)

Shannon Foynes Port Company is a commercial state-owned Company and is the estuarial port authority with responsibility for the entire Shannon Estuary. In addition to its terminal operations, warehousing and distribution networks, the Company governs the safe passage of all maritime traffic and port activity in the estuary, regularly accommodating vessels up to 200,000 tonnes.

Building on significant growth in all areas of our business and as part of our ambitious plans for increased volume and capacity into the future, we now have an opportunity for an experienced individual to join our highly motivated maintenance team, based at Foynes.

The successful candidate will be responsible for electrical maintenance of SFPC plant, equipment and facilities, supporting operations and being involved in capital and upgrading projects. The role involves working with a small, dedicated maintenance team and the successful candidate must be willing to work in a busy marine environment, providing support for extended port operations. This role requires an individual who is comfortable working across a broad range of services including but not limited to electrical, hydraulic, mechanical and general operations.

Requirements:

The successful candidate will be a qualified electrician with:

- Minimum of 2 years post qualification experience, including:
 - Electrical maintenance background in a heavy industry environment
 - Experience commissioning heavy duty industrial installations and equipment
 - Experience with maintaining and trouble-shooting electrical, hydraulic, pneumatic and control systems
- Strong awareness of the relevant statutory and industry codes for electrical maintenance and installations
- Strong interpersonal and team skills, well developed abilities in decision-making and problem solving, and the ability to plan and organise a demanding workload are also essential.
- Must be willing to work irregular hours outside of the standard 0800 to 1700 working week as part of a flexible and changeable roster to suit the needs to shipping activities.
- Current full (Minimum Category B) EU Driving Licence

Benefits:

- Competitive Salary
- Pension Fund & Associated Risk Benefits
- Company Mobile Phone
- Health Screening
- Discretionary Sick Pay Scheme
- On Site Parking

Experience such as working with Heavy plant, large industrial equipment, Security systems/ PLCs; and management system such as ISO9001 & 45001 would be advantageous. The successful candidate will be required to be flexible in the range of duties to be performed.

Applications should include a full CV and must be sent by email to amoran@sfpc.ie to be received by Friday 22nd of March 2024

Canvassing will disqualify.
